SOFTWARE ENGINEERING TRANSFER POLICY

AUCA students seeking to transfer into the Software Engineering department from other departments or programs will be accepted only if they meet the following requirements:

- General AUCA transfer policy requirements:

1. Students are eligible to transfer after the first year of study.

2. Students must meet all the admission requirements for the chosen major department.

3. Students must have a permission from Both Departments

- GPA 2.7 and higher

- The grade must be no lower than a «B+» on COM-122 “Introduction to Programming”
