

Academic Advising and Career Center

Barbara, Nargiza, Zarina and Gulnur

Faculty's support to AA&CC office

- Mid progress reports on struggling students
- At mid of October
- AA&CC workshops

Faculty as an advisor

- Individual training (academic policies, forms, overview of student services, IPAS for probation students etc.)
- Year-long support from the office

AA&CC Workshops

please encourage students to
attend

- Time-Management
- Stress-Management
- Learning Skills - Concentration
- Effective Reading Strategies
- Note-taking Techniques
- Presentation Skills
- Working in a Group

Peer advising program

- Peer Advisors (PAs) are students that assist the Academic Advising office, during the Orientation Week and throughout the Academic Year.
- PAs provide support related to academic curriculum, course requirements, and major options.
- PAs will also assist during the Online-registration period and in implementing the workshops aimed to improve academic performance

Career Services

Three main objectives of AUCA Career Services:

- Career Exploration: empower students to do research and make well informed choices
- Pathways: steer AUCA students toward relevant careers – major and course selection, internships, volunteering, leadership
- Workplace Competencies: educate students on necessary skills – soft skills/communication, technology, market demand, organizational cultures – to make a smooth transition into the work place
