\* - further abusing of the rule leads to increase of the penalty point by 2 scores.

- All residents have total 100 points while moving in the Dormitory.
- Anyone with over 100 penalty points must leave the dormitory immediately (scholarship mentors, home institution and/or parents will be notified at 80th point).
- A student once expelled will not be allowed to stay in the dormitory again.
- Student can earn extra points by participating in volunteer activities (5-15 points for each activity).
- All cases that cause a significant loss of points will be considered by Dormitory Administration and the number of reducing points may vary depending on the circumstances leading to the violation of the rules.
- Keep the curfew punctually at 12:00 pm (student must stay in the dorm between 00:00-06:00).
