

**American University of Central Asia****NEW STUDENT ORIENTATION PROGRAM 2025****LANGUAGE AND THINKING PROGRAM****“THE BRIDGE TO THE FUTURE”**

Welcome, dear AUCA freshmen! The New Student Orientation Program is designed to facilitate the transition between your previous learning experience and the one that awaits you at the university. Our program events are packed with academic, social, and community service-learning activities that foster development, freedom, and AUCA's values as a liberal arts institution.

This year's Language and Thinking (L&T) program has adopted the theme of “**THE BRIDGE TO THE FUTURE**”. This program is a part of the core-humanities program for all AUCA students and is a pre-requisite for the core course during the freshman year – First Year Seminar. The goal of the L&T academic sessions is to introduce freshmen to the interdisciplinary and challenging study ethos of AUCA, which includes creative, yet fun, learning experiences and intensive writing across a variety of genres and texts. You will read, explore, and work extensively on texts through writing and other creative approaches. Although it might be difficult to imagine what to expect in your first weeks of university, our goal is to enable you to experience a glimpse of the challenging and unique intellectual learning culture in a liberal arts institution in Central Asia.

While you as new students might be wondering how you can savor all activities that will last for two weeks, bear in mind that the AUCA New Student Orientation Program is a great way to start an exciting journey in your university life and beyond; as well as to make new friends and lasting memories. Make the most of it as you read through all the material (given in an orientation package) and actively participate in the events planned for you.

We hope that you will learn not only important information on academic issues, institutional policies, and regulations; but also gain a first-hand understanding of the liberal arts learning within a diverse community while making social connections that will remain with you throughout your academic career and beyond. We look forward to your active participation as we welcome you to our AUCA community!

**ATTENDANCE OF ALL ACADEMIC SESSIONS IS MANDATORY.**

**YOU CANNOT MISS ANY OF THE L&T ACADEMIC SESSIONS IF YOU WANT TO  
RECEIVE A PASSING GRADE FOR THE ACADEMIC LANGUAGE AND THINKING  
PROGRAM.**
