# “I want to stay involved with AUCA but I don’t know where to start...”

- The Alumni Relations Office coordinates many programs and activities that would not be possible without the involvement of alumni. Here are just a few ways to stay connected to AUCA and your fellow classmates:
- 
- Engage with fellow graduates and friends on our social media pages:
- [www.facebook.com/auca.graduates](https://www.facebook.com/auca.graduates)
- [www.instagram.com/auca\\_graduates](https://www.instagram.com/auca_graduates)

- Update your contact info to make sure that you never miss a reunion or networking event with your friends and former classmates.
- Help organize events with your local alumni group or set up your own group.
- Participate in AUCA alumni fundraising initiatives.
- Join the Alumni Mentorship Program and talk to AUCA students about your chosen professional field and how they might succeed in it.
- Tell the Career Office about job opportunities in your company or region and offer your professional expertise to interested students and other alumni.
- Meet with AUCA faculty or staff visiting your home country, promote and participate in student recruitment activities, and help spread the word about reunions and other events.
- Most important, don't forget to [stay in touch](#) with your alma mater!
