

APPLIED MATHEMATICS AND INFORMATICS PROGRAM

Mathematical Modeling in Natural and Social Sciences

License of the Ministry of Education and Science of the Kyrgyz Republic (since 2017, unlimited)

Fopod Tnukek, 2017 1.

Independent International Accreditation (2020)

"Билим берүү чөйрөсүндөгү сапаттын кепилдиги боюнча агентствосу "EdNet" коомдук фонду

Аккредитация боюнча №01-20/1 сертификаты

510200 «Колдонмо математика жана информатика» (бакалавриат) багыты Окуу мөөнөтү 4 жыл; 240 кредит.

Борбордук Азиядагы Америка университетинин

Аккредитация боюнча кенешинин корутундусунун негизинде (протоколдун №14-СА, 26.05.2020 ж.) 5 жылдык мөөнөткө аккредитациядан өткөндүгүн ырастайт

> Сертификаттын мөөнөту: 26.05.2025 ж. Бишкек, Кыргызстан 2020 ж. Уманкулова О.А. аткаруучу директор

> > жөнүндө күбөлүк №CV160000014

Общественный фонд "Агентство по гарантии качества в сфере образования "EdNet"

Сертификат об аккредитации №01-20/1 подтверждает, что направление

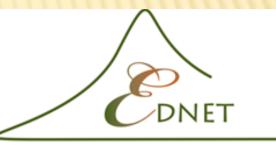

510200 «Прикладная математика и информатика» (бакалавриат) Срок обучения 4 года; 240 кредитов.

Американского университета в Центральной Азии

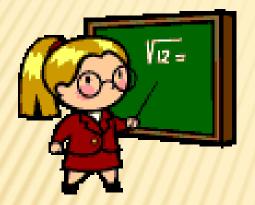

Аккредитовано на 5 лет на основании заключения Совета по аккредитации (протокол №14-СА от 26.05.2020 г.)

Срок действия сертификата до 26.05.2025 г. Бишкек, Кыргызстан 2020 г. Уманкулова О.А. EdNet испорнительный директор осо

Свидетельство о признании №CV160000014

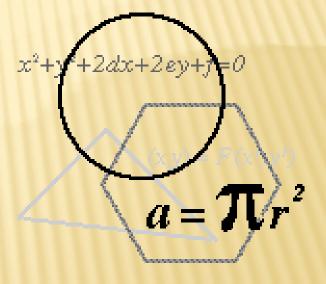

Our students gain fundamental knowledge of major mathematical disciplines:

Algebra and Geometry Mathematical and Functional Analysis Differential Equations and Equations of Mathematical Physics

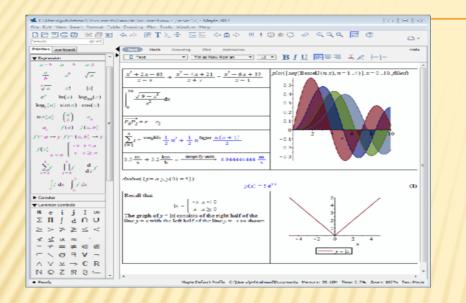

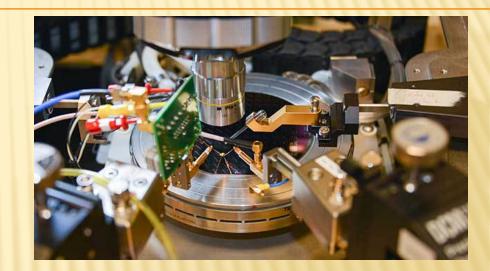

Theory of Probability and Mathematical Statistics

Discrete Mathematics and Mathematical Logic, Computational Mathematics

Computer Science

Computer Architecture and Operating Systems

Algorithms and Data Structures

Databases and WEB development

Programming Languages and Computer Graphics

General education courses (Bard College and the Ministry of Education and Science of the Kyrgyz Republic)

- ✤ First Year Seminar I, II
- Second Year Seminar
- Languages: English, Kyrgyz, Russian
- Arts and Sports

- History and Geography of Kyrgyzstan
- Natural Sciences
- Social Sciences
- Humanitarian Sciences

RESEARCH STATION OF THE RUSSIAN ACADEMY OF SCIENCES IN BISHKEK CITY

INTERNATIONAL RESEARCH CENTER – GEODYNAMICAL PROOVING GROUND IN BISHKEK CITY (IRC-GPG)

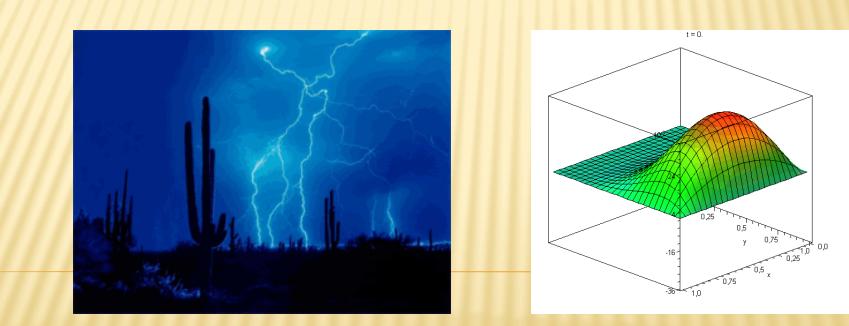

You will be able to understand how the method of mathematical modeling works in economics, allowing you to analyze financial markets, assess banking and insurance risks, and carry out optimal management of enterprises and industries;

and how the method of mathematical modeling works in geophysics, helping to study natural and man-made disasters, search for minerals, and solve environmental problems.

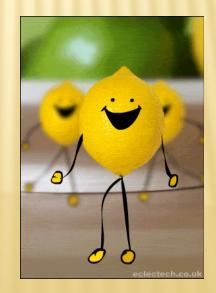

The time of studying at AUCA passes quickly,

and after successfully passing all exams and defending graduation theses

young bachelors set off to conquer the world ... and look for work ...

IN SEARCHING FOR JOB YOU WILL HELP:

Bard College Diploma

 Diploma of the Ministry of Education and Science of the Kyrgyz Republic

- English language
- Developed logical and abstract thinking
- Deep knowledge in the specialty "Applied Mathematics and Informatics "

The mathematician, who owns knowledge of computer technology, one of the most important experts in any serious scientific project

Our graduates can get a job

Computer Science

- ✓ in software development companies
 ✓ In development and implementation of new
 - information technologies and computer systems companies

🗸 in banking

✓ in consulting, insurance
and auditing companies

✓ in the public sector and civil service

✓ as a business analyst

✓ in manufacturing firms

They can also continue education in

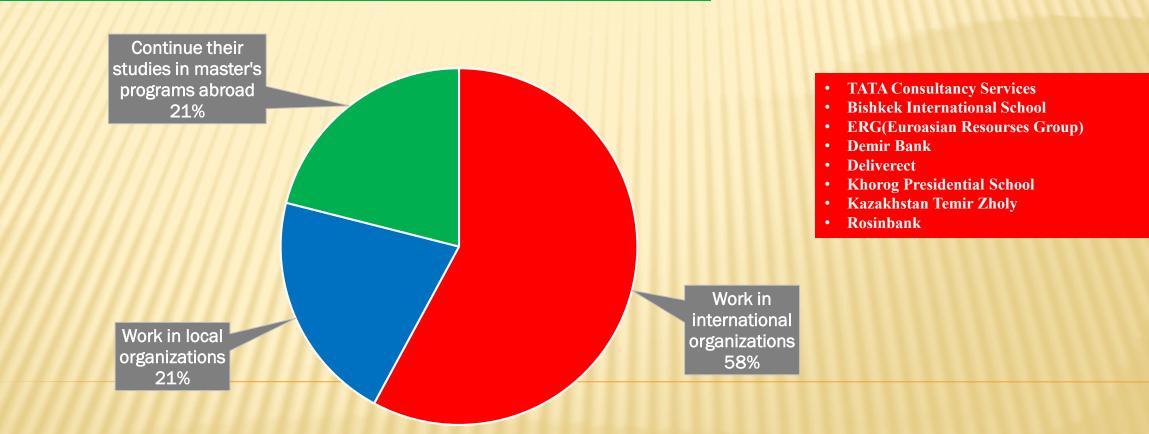

USA Russia Germany Canada United Kingdom

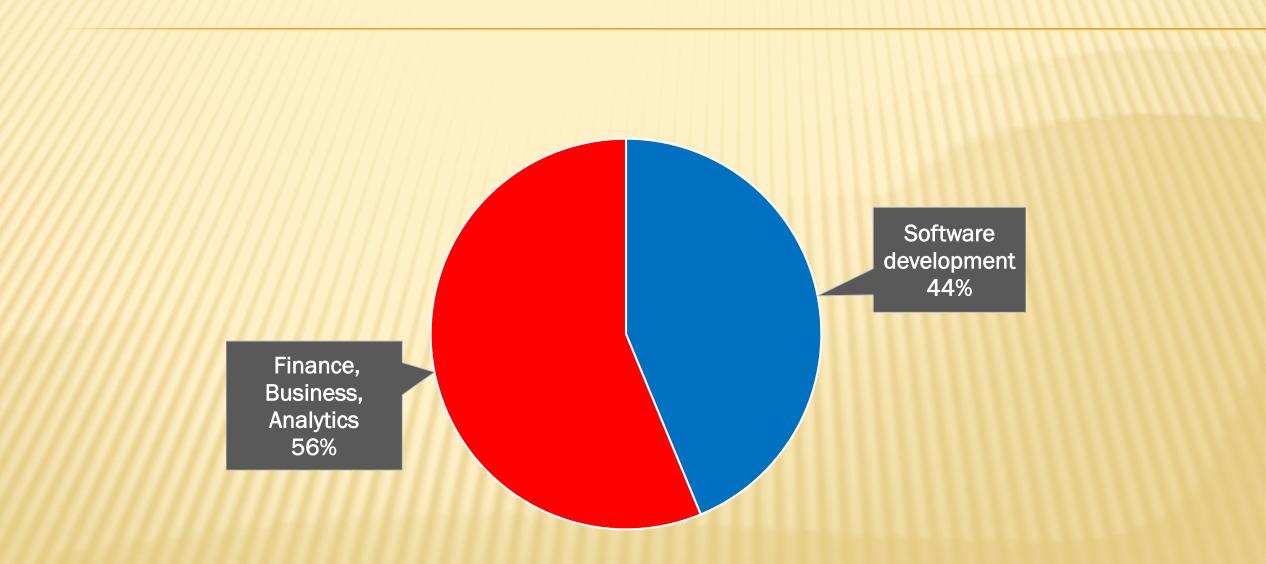

2017-2020 graduates work and study:

- Financial University under the Government of the Russian Federation, Master's Degree in Economics Russia
- University of Trier, MSc Data Science Germany
- **Obuda university, MSc Applied Mathematics Japan**
- NMBU, MSc Mathematical sciences <u>Norway</u>

- in the Office of the Government of the Kyrgyz Republic in the Department of International Cooperation
- Communication Agency "Andromedia" founder, graphic designer
- School of programming for <u>children "Softium" director</u>
- Asia Bank programmer

Field of activity of graduates 2017-20:

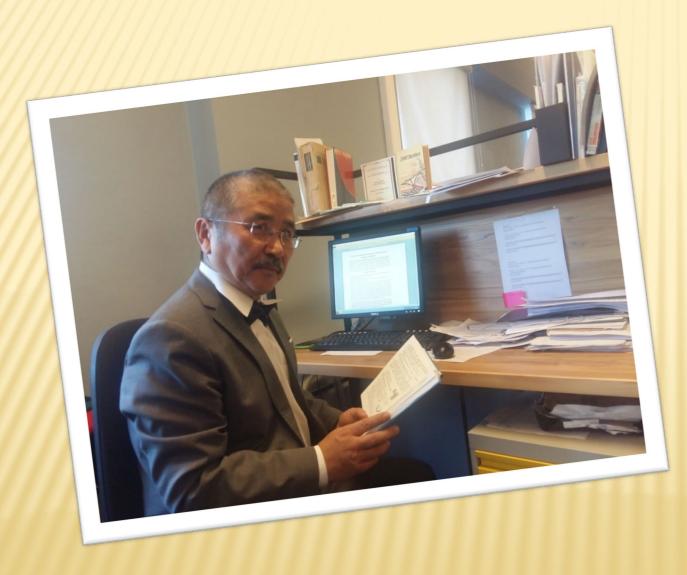

Program Chair, Professor Sergey Sklyar

Professor Talaibek Imanaliev

Professor Syrgak Kydyraliev

Professor Bakyt Urmambetov

Professor Enver Atamanov

Professor Elmira Musuralieva

Associate Professor Lubov Altynnikova

Associate Professor Polina Dolmatova

Assistant Professor Elmira Kerimkulova

Assistant Professor Elena Burova

Assistant Professor Zarina Shapakova

Assistant Professor Lain Webb

Order of study first year

| I semester (30 credits) | | | II semester (30 credits) | | |
|-------------------------|---|---|--------------------------|--|---|
| Gen. Ed. | First Year Seminar I | 4 | Gen. Ed. | First Year Seminar II | 4 |
| | Introduction to Philosophy I (part of FYS) | 2 | | Introduction to Philosophy II (part of FYS) | 2 |
| | English Composition I | 6 | | English Composition II | 6 |
| | Linear Algebra and Analytic Geometry | 6 | | Mathematical Analysis I | 6 |
