

AUCA TRANSPORTATION POLICY

Dear AUCA Students:

These are the major actions to take into account as the main safety measures inside of the University bus that provides shuttle services from AUCA Campus to the Dormitory and other directions. Only 18 passengers are allowed to sign up for the shuttle service in one direction at once. The limit in the number of passengers is required to avoid any accidents on the road without having passengers overloaded in the bus since the University will be responsible according to the newly updated fines on the violation of traffic laws like a fine in the amount of 3000 KGS for driving a vehicle with more passengers than required.

Each passenger should sign up for the shuttle bus in 15 minutes prior to the bus departure in order to reserve a place for him/her. The sign-up list is available at the security desk to indicate Full name and surname, department, destination, and signature.
