

SUMMER CAMP AFGHANISTAN (SCA)

Abdul Walid Azizi – AUCA
abdulwalid_a@auca.kg

Description of the project

Summer Camp Afghanistan (SCA) is a weeklong program that aims to improve school students' English language and leadership skills while simultaneously prepare them for applying to international scholarship opportunities and jobs through sessions on career development and study abroad.

Mission

- Improve student's English Language
- Leadership Initiatives (Practical activates & workshops)
- Study Abroad Sessions
- Career development Sessions

Impact

Summer Camp Afghanistan recruits 40 school students (20 Males & 20 females), between age 15 – 19 for one-week training and educational activities. The SCA staff-team are selected from college students with an international academic experience.

Challenges

Summer Camp Afghanistan recruits 40 school students (20 Males & 20 females), between age 15 – 19 for one-week training and educational activities. The SCA staff-team are selected from college students with an international academic experience.

Collaborators

Lincoln Learning Center – Ghazni (LLCG)

Ghazni Department of Education

Kabul Education Advising Center (KEAC)

Bard College at Simon's Rock

Gakko Summer Camp

Outcome

At the end of the camp students will learn how to write statement of purpose for getting scholarships to study abroad. Students will be able to write resumes, cover letters for job vacancies. Meanwhile, through group work activities, they will be able to enhance their skills in leadership, critical thinking, and team building.
